Week 8 (Week beg: 4th
September, date TBC)
- Junior Colour Run - Monday
18th September
- Last day of Term 3 - Friday
22nd September

Welcome to Term 3

Kia ora and welcome back to Term 3! We have had a great first week back at school and are looking forward to another term of rich learning in Āria.

This term we welcome to Clearview:

- Asher and his family in HB9

Deep Learning Term 3

This term we will continue exploring Patterns through Visual Art, Aotearoa NZ Histories and using Digital Technology.

The children have been working hard to learn Folk Dances from different countries. In Week 8 the Āria children are excited to perform some of these dances for you. The day and time will be confirmed and shared with you soon!

Sickness

As we head into another winter term there are still a lot of germs and illness spreading around. Just a friendly reminder to please keep your child at home if they are unwell. At school we will continue to review and practise good hand washing routines and to use hand sanitiser as needed. We are in the height of the cold and flu season and we are noticing some children coming to school with runny noses, sore throats, coughs and generally feeling unwell. In the interests of keeping everyone safe and healthy, please keep your child at home until they are better.

Healthy Food Options

Please make sure your child has healthy brain food options in their lunchbox. Each day at school is an action packed day of learning, and including healthy foods ensures your child has the necessary nutrients and energy they need to get through the day. Some ideas are:

- Vegetable sticks (e.g. carrot, cucumber, capsicum and celery with an optional dip such as hummus, pesto or peanut butter)
- Small (cherry) or chopped tomatoes
- Fresh fruit (chopping bigger fruit beforehand will make it easier to eat, e.g. bananas, apples, mandarins, grapes, pears, strawberries, blueberries, watermelon, pineapple, kiwifruit, orange)
- Small packet or handful of raisins or dried fruit
- Sandwiches/rolls/wraps /pita breads (e.g. vegemite or marmite, peanut butter, jam, meat/chicken, tuna, salad, egg, cheese)
- Homemade muffins, scones or scrolls
- Mini quiches
- Vegetable soup (in a thermos)
- Sushi or rice paper rolls
- Potato or pasta salad
- Pikelets
- Muesli bars (check for lower sugar content if possible or make at home)
- Plain biscuits
- Plain popcorn
- Rice crackers
- Yoghurt pottle or squeezable
- Cubes or slices of cheese
- Nuts or seeds

Release
teacher
HB11&12

Home Learning Support

A huge thank you to the wonderful parents that have been supporting your children at home with their Structured Literacy learning.

We have observed that the children practising their Speed sounds, Speed words and Heart Words at home have increased confidence and fluency when participating in their classroom lessons.

At the upcoming Learning Conferences we are happy to discuss what home learning support can look like, using the resources we have been sending home.

School Value for Term 3

In Term 3 we are focusing on our school value of Manaakitanga. As seen on our visual Manaakitanga is all about showing respect, generosity and care. To begin the term we have been talking about using manners by saying please and thank you, holding doors open for others and waiting patiently for your turn.

- We are kind with our words and actions
- We respect others and property
- We encourage others
- We show empathy towards others

As always, if you have any other questions please pop in and see us or get in touch.
