Uranga Team Teachers

2023

Welcome back to school for our fourth and final term of the 2023 school year!

We would like to welcome our new teacher to Team Uranga, Mrs Becky Docherty. She will be teaching in Homebase 0 until the end of this term. Mrs Docherty is an experienced teacher and she is thoroughly enjoying teaching in Homebase 0. We are lucky to have her as part of our team.

The Homebase 0 children are still very much a part of Team Uranga and most days we will see these children coming over to the yellow block to explore, learn and make new friends.

Term 4 is definitely the busiest term with lots going on. This term is jam packed with many exciting things for our tamariki including Flips and Tumbles, cross country, and several Christmas events. At the end of term we have a Fun Day planned to celebrate the end of 2023 in Uranga. More details to come. You will find a list of upcoming dates and events towards the bottom of this newsletter, but also please continue to check messages and emails from your child's homebase teacher, and from the school via our website, seesaw and newsletters, so you do not miss anything.

Lastly, please remember to keep your child at home if they are unwell and also let the school know if they are absent for any reason.

If you have any questions, concerns or just want to have a chat about your child, please don't hesitate to come in and see us.

Ngā mihi nui,
Team Uranga Teachers

Ako in Team Uranga

Kiva

Last term, Uranga continued the theme of building relationships and through our Kiva programme, worked on understanding what bullying is and is not. We talked a lot about including others with our work and play and touched on themes around being a bystander and an upstander. This is an important part of building Whanaungatanga at our school, so every child feels a sense of belonging and safe. The Kiva programme continues to build on these themes at each year level as your child progresses through the school.

School Values

Our school Values are Whanaungatanga, Manaakitanga and Ako. We embed these values into everything we do at Clearview Primary.

Manaakitanga - showing respect, generosity, and care

Ako - taking responsibility for learning

Whanaungatanga - forming and maintaining positive relationships

Flips and Tumbles

Flips in Tumbles will take place every Monday for the first six weeks of term (excluding Labour Day). Your child is welcome to wear non uniform sports clothes on these days.

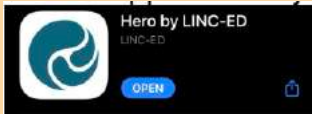

Flips and Tumbles is a physical education programme specialising in gymnastic and parkour skills. Their trained instructors come into our school bringing all their specialised equipment for our students to learn, practise and enjoy.

The cost for these sessions is \$46 and this will be placed onto your school account.

"Skilled Thinkers and Communicators Stepping out with Confidence"

School Absences

It is important that you let the school know if your child is going to be absent, either by using the Hero app or phoning the Clearview absence line. If your child is going to be late or if you will be coming to school to take your child to an appointment, we do appreciate if you let us know ahead of time.

Start and End of the Day

In the morning, the children can enter the yellow block building from 8.30am. Please do not drop your child at school any earlier than this as there will not be any supervision before 8.30am.

At the end of the day, please wait outside the yellow block and the children will be brought outside for collection by the homebase teacher.

Please make sure your child's teacher knows your child's pick up plan especially if it changes.

School Newsletter

Please keep an eye out for the School Newsletter emailed home regularly. It will include lots of articles about what has been happening around the school and important information for you to know. Similarly, Team Uranga teachers regularly post, via the Seesaw App, photos of your child and their learning and updates about what is happening in the Team and homebases. If you are not connected to your child's teacher via Seesaw, please contact their teacher so you can be signed up.

Upcoming Dates And Events

TERM 4, 2023

Every Monday from Week 1 - Week 6 **Flips and Tumbles**

Monday October 23: **Labour Day - no school**

Friday October 27: **Junior School Assembly 9.10am**

Friday 10 November: **Cross Country**

Thursday November 16: **Junior School Assembly 9.10 am**
